## Don't Miss it!

Join renowned polar explorer, writer, and photographer Will Steger for slides and stories documenting his first-hand observations of dramatic changes occurring in the Arctic and Antarctic. This dramatic presentation is one of hope... Learn about Montana-made solutions, necessary policy, and what you can do!

Sponsored by: Steger Foundation, Sierra Club, National Wildlife Federation, Montana Audubon, Montana Conservation Voters, Repower Montana, & University of Montana Climate Change Studies Program.
